CPE Credit Policy
For SN Live Webinars

OVERVIEW

SN offers webinars where attendees can earn Continuing Professional Education (CPE) credits.

As a CPE program sponsor through the National Association of State Boards of Accountancy (NASBA), SN is required to follow strict guidelines to grant CPE to webinar participants.

REGISTRATION

✓ Registration is on a per-person basis. To qualify for CPE credit, you must log in individually.

✓ Ensure your registration is in your name. If someone else registers you, they must use your name and email address.

✓ If multiple employees from the same company wish to attend, each individual must register separately.

✓ Do not share your registration login information.

REQUIREMENTS FOR CPE CREDITS

1 Participants must be logged into the webinar for at least 50 minutes to earn 1 CPE credit.

2 Participants must answer a minimum of 3 poll questions per 50 minutes to earn 1 CPE credit.

3 These requirements are tracked through the GoToWebinar attendance report.

REQUESTING CPE CREDIT

CPE certificates are not automatically distributed. To request a CPE certificate, complete the webinar survey that appears at the end of the session.

CPE certificates will be emailed within 7-10 business days from certificates@simplecert.net. If you do not receive your certificate, please check your spam folder.

If you still cannot locate your certificate, please contact us at snmarketing@stambaughness.com.
